

New Flame Retardant-Free Products Compliant with CA AB-2998 & MD SB447

California (AB-2998) and Maryland's (SB447) flame retardant (FR) legislation prohibits manufacturers from selling or distributing upholstered furniture that contains flame retardant chemicals at levels above 1,000 parts per million.

OMNOVA has 13 in-stock products that comply with AB-2998 and SB447 and meet the standard flame requirements outlined in CAL 117-2013 Section 1, UFAC Class 1, BIFMA Class A and NFPA 260 Class 1. Each product comes in a variety of colorways.

Boltaflex® Contract Upholstery

OMNOVA offers non-FR **Boltaflex** coated fabrics for contract applications, including:

Verde Eco-Preferred fabric featuring 58 colorways with a solid leather like emboss*

Aerial Eco-Preferred fabric featuring 12 colorways with meditative and connected pattern*

Melange Eco-Preferred fabric featuring 16 colorways inspired by mid-century craft techniques and fibers*

Levante Contains no FR and features 11 colorways with a classic leather-like emboss*

Nautolex® Marine Upholstery

OMNOVA offers non-FR **Nautolex** coated fabrics for marine and other upholstery applications, including:

Capitano® Featuring a realistic leather grain, it offers the perfect balance of value and durability

Cetacea Designed to withstand the rigor of harsh marine environments*

Elysee Versatile for a broad range of applications from contract interior seating to marine upholstery and other harsh outdoor environments*

Mariner Performance vinyl with a light leather grain and feel for marine seating and outdoor applications*

SofDura® Designed to withstand the rigor of harsh marine environments*

SofDura 26 Designed to withstand the rigor of harsh marine environments at competitive pricing

Tidal Wave™ Offers unmatched pink-staining resistance by providing a barrier below the vinyl surface to prevent pink discoloration of marine upholstery caused by microorganisms that may grow inside marine seat cushions. Available in four popular bright white textures*

Voyager Designed to withstand the rigor of harsh marine environments*

To further meet the needs of customers, OMNOVA is offering best-selling colors of its most popular products without FR. NFR is available on many colors of the following products:

- *Colorguard NFR**
- *Grand Sierra NFR**
- *Venue NFR**
- *Vista NFR**
- *Weave NFR**

These five new products will pass CAL 117-2013 Section 1, UFAC Class 1, BIFMA Class A and NFPA 260 Class 1 to meet all standard upholstery requirements.

Please contact Customer Care at 800-457-9900 order samples or obtain more information.

*Protected by industry-leading **PreFixx**® finish.

Though our upholsteries can be used in many applications, customers are responsible for selecting an upholstery with attributes that meet the requirements of the specific end-use application – not all upholstery is suitable for all applications.

Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance.
